<b>No.</b>	SPORTS/7/R	BRAKE LINING IDENTIFICATION AND INCORPORATION DETAILS	<b>Date</b>	MARCH 1955
------------	------------	---	-------------	------------

---

In view of the fact that several different types of brake linings have been used with this Model since production commenced, it is considered advisable to give instructions with regard to identification and a guide as to with which cars the various types are used.

There will be some isolated cases of anticipation of the Commission Number, ranges quoted, but it is not intended to confuse the issue by giving details of such cars.
